

BAVANYA

WATER TREATMENT • FIRE PROTECTION • SWIMMING POOL • INDUSTRIAL UTILITY SOLUTIONS

Complete Engineering Solutions for Water, Safety & Infrastructure

ABOUT BAVANYA

BAVANYA is a trusted provider of Water Treatment, Fire Protection, Swimming Pool, and Industrial Utility Solutions, committed to delivering reliable, innovative, and sustainable systems for residential, commercial, industrial, and government sectors. Our expertise covers the complete project lifecycle—from consultation, system design, product supply, installation, testing, commissioning, annual maintenance, and technical support. Every solution is carefully planned to meet the highest standards of quality, performance, and long-term reliability.

At BAVANYA, we believe that every project is unique. Our customer-focused approach enables us to deliver customized solutions that improve operational efficiency, reduce maintenance costs, and ensure sustainable resource management. Driven by technical knowledge, professional service, and continuous innovation, we aim to build lasting relationships through trust, quality, and dependable after-sales support. As we continue to grow, our vision is to become a recognized and respected brand across India by delivering complete infrastructure solutions that create value for industries, institutions, businesses, and communities.

OUR VISION

To become one of India's most trusted engineering solution providers in Water Treatment, Fire Protection, Swimming Pool Systems, and Industrial Infrastructure by delivering innovative, sustainable, and high-quality solutions that create long-term value for our customers.

OUR MISSION

- Deliver high-quality engineering solutions with international standards.
- Provide reliable products supported by professional technical services.
- Build long-term relationships through trust, transparency, and customer satisfaction.
- Promote sustainable water management and environmental responsibility.
- Continuously improve through innovation, technology, and skilled professionals.
- Expand our presence across India with a strong dealer and service network.

CORE VALUES

QUALITY

We never compromise on product quality or engineering standards.

INTEGRITY

We conduct our business with honesty, transparency, and professionalism.

INNOVATION

We continuously adopt modern technologies and advanced engineering solutions.

CUSTOMER COMMITMENT

Customer satisfaction is our highest priority.

RELIABILITY

We deliver dependable products, timely service, and long-term support.

SAFETY

We follow engineering practices that ensure operational safety and system reliability.

SUSTAINABILITY

We believe in responsible water management and environmentally friendly solutions.

EXCELLENCE

We strive for excellence in every project we undertake.

WHY CHOOSE BAVANYA

✓ Complete Engineering Solutions Under One Roof

✓ Experienced Technical Team

✓ Customized Project Design

✓ Premium Quality Products

✓ Modern Engineering Practices

✓ Competitive Pricing

✓ Timely Project Execution

✓ Professional Installation & Commissioning

✓ Reliable Annual Maintenance Contracts (AMC)

✓ Genuine Spare Parts & Consumables

✓ Strong Technical Support

✓ Customer-Centric Approach

✓ Fast Response Service

✓ Ethical Business Practices

✓ Long-Term Business Partnership

✓ Industrial & Government Project Experience

✓ Scalable Solutions for Small to Large Projects

✓ Future-Ready Technologies

OUR SOLUTIONS PORTFOLIO

FIRE PROTECTION SOLUTIONS

- Fire Hydrant Systems
- Automatic Sprinkler Systems
- Fire Pumps
- Jockey Pumps
- Fire Alarm Systems
- Fire Hose Reels
- Landing Valves
- Fire Extinguishers
- Fire Control Panels
- Fire Protection Accessories

WATER TREATMENT SOLUTIONS

- Industrial RO Plants
- Commercial RO Plants
- Domestic RO Systems
- Water Softeners
- Iron Removal Plants
- Sand Filtration Systems
- Activated Carbon Filtration
- Ultra Filtration (UF)
- Demineralization Plants
- Mixed Bed Plants
- Water Disinfection Systems
- Ozonation Systems
- Sewage Treatment Plants (STP)
- Effluent Treatment Plants (ETP)
- Water Recycling Systems

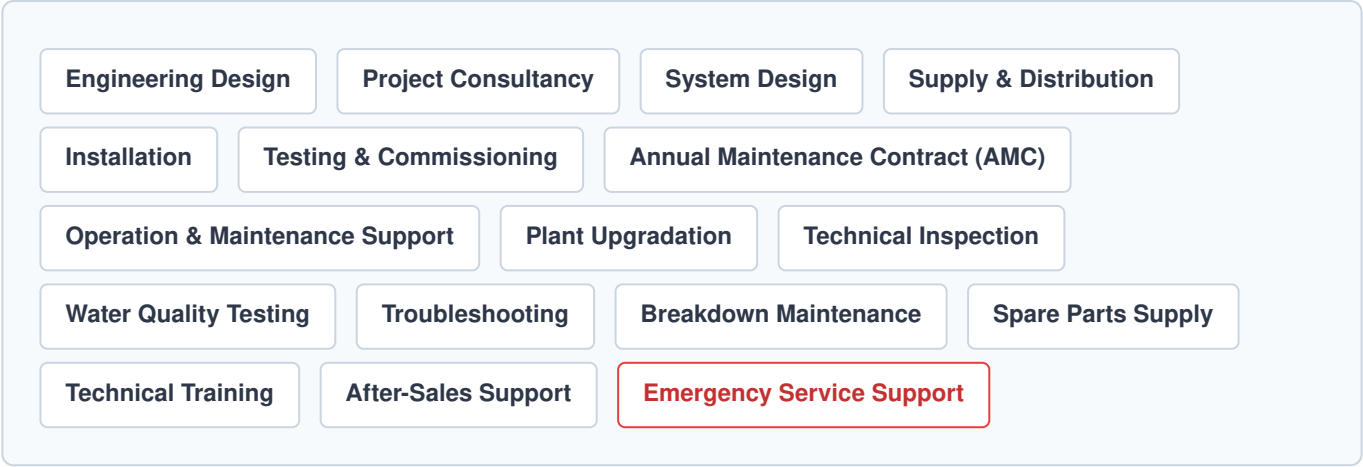

SWIMMING POOL SOLUTIONS

- Swimming Pool Filtration Systems
- Pool Circulation Pumps
- Pool Sand Filters
- Pool Chemical Dosing Systems
- Pool Underwater Lighting
- Pool Cleaning Equipment
- Pool Water Treatment Chemicals
- Pool Maintenance Solutions

INDUSTRIAL UTILITY SOLUTIONS

- Industrial Pumps
- Pressure Vessels
- Filter Media
- Chemical Dosing Systems
- Instrumentation
- Industrial Piping
- Industrial Valves
- Automation Accessories
- RO Components

ENGINEERING SERVICES & SCOPE OF WORK

INDUSTRIES & SECTORS WE SERVE

COMMERCIAL & INFRASTRUCTURE	INDUSTRIAL MANUFACTURING	INSTITUTIONAL & SPECIALIZED
- Hotels & Resorts - Residential Apartments - Commercial Buildings - Shopping Malls - IT Parks - Real Estate Developers - Warehouses & Cold Storages	- Industrial Manufacturing Units - Food & Beverage Industry - Pharmaceutical Industry - Textile Industry - Tea & Beverage Industry - Chemical Industry - Dairy & Packaging Industry - Paper & Mining Industry	- Healthcare & Hospitals - Educational Institutions - Government Departments - Municipal Bodies - Power Plants - Oil & Gas Sector - Infrastructure & Construction Cos - Swimming Pool Contractors
